

« des balais en bois 100% naturels »

Invention de Christian Bourdon, les balais Akangatide sont le résultat de son imagination alors qu'il était dans l'incapacité d'acheter des instruments. Ces balais sont commercialisés en France depuis 1984, puis aux USA, en Allemagne et en Hollande, et bientôt nous l'espérons, dans le reste du monde.

« C'est merveilleux de voir entrer Dame Nature dans l'industrie de la percussion grâce à AKANGATIDE BRUSHES ...
Naturel et retour aux sources !!
Excellent !! »

Dom Famularo

AKANGATIDE

BRUSHES

the difference...

THE REAL NATURAL WOOD BRUSHES

AKANGATIDE BRUSHES WERE INVENTED BY CHRISTIAN BOURDON. THEY ARE THE RESULTS OF HIS IMAGINATION BECAUSE HE COULD NOT PURCHASE INSTRUMENTS. HE HAS FOUND A VERY GOOD MATERIAL WHICH COULD BE USED TO PLAY SOFTLY AS WELL AS STRONGLY. IN 19757 HE BEGAN TO SELL BRUSHES TO OTHER DRUMMERS. AT THAT TIME, HE ALSO PLAYED WITH FAMOUS ARTIST IN CAMEROON. THEN, HE SHOWED FRANCE HIS BRUSHES IN 1984, THE USA IN 1990 GERMANY IN 1994 AND NOW THE REST OF THE WORLD.

<< It is wonderful to see mother nature has entered the Percussion industry with AKANGATIDE BRUSHES... Natural and down to earth !! Excellent !>>

Dom Famularo

<< Beautiful, delicate, expressive brush - sound in the Bourdon family of excellent "impliments" >>

Jim Chapin

<< The most original "sounding-Brush" For all styles >>
